February 9, 2006

## **HIGHLAND AVENUE IN SAN BERNARDINO WILL REQUIRE CONTINUED WESTBOUND LANE CLOSURES FOR STORM DRAIN WORK BETWEEN MACY AND STATE STREETS**

The inside lane on westbound Highland Avenue between Macy and State Streets in San Bernardino will remain closed through February 17 for storm drain installation. During this temporary closure, two lanes of eastbound travel and one lane of westbound travel will be maintained.

This storm drain work requires deep trenching along Highland, so motorists should drive slowly through the area and follow all posted signs. Cross streets at State and California remain closed just south of Highland. Drivers may use Riverside Avenue, Medical Center Drive and Baseline as detour routes.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at [www.sanbag.ca.gov](http://www.sanbag.ca.gov). SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow extra time when traveling through the construction area and follow all signs and detour routes.

**Remember: Safety: It's no accident!**
